SUMMARY

The purpose of this meeting is the mutual introduction of teams gathered around the RRPP research projects led by organizations from BiH, and the general introduction to the RRPP and its rules for managing and administering projects. Representatives of RRPP LCU BiH will hold short workshops on the results of the RRPP Call 2014-2016, ways of future cooperation between lead organizations and partners, the role of LCU BiH, and the methods of narrative and financial reporting. Finally, the individual meetings will enable all research teams gathered around the same projects to meet each other closer and plan the details of their future cooperation.
